

Knob Noster Elementary School

The Parent Teacher Organization would like to take this time to welcome you to KNE! Our organization is comprised of parents/guardians, teachers & administrators who all have one goal in mind—enhancing the educational experience of our students.

Each year, the PTO is able to provide support to KNE through enrichment activities, contributing money to grade level activities, gifts to the school & many other things.

Parental Involvement

Studies have shown that parental family involvement in a child's education greatly increases the success of the student. Please know that you are always welcome at KNE. Parental involvement can be as much or as little as you can give. We know time is the most valuable commodity to families these days and even an hour can help.

Benefits of Membership

Just becoming a member of KNE PTO helps as a whole and gives a strong voice to the organization. By joining, you have the opportunity to be involved in decision making for how PTO programs will be designed and strengthened. KNE PTO members are as diverse as our community. We have working parents, stay-at-home parents & teachers. Everyone is welcome!
